NOTICE TO MEMBERS: AGM PROXY FORMS

Dear Members,

Due to the postponement of the original date, all proxy forms already received will be kept on record.

Any new or amended proxy must be submitted to the Treasurer at least **24 hours before** the AGM.

A proxy form allows a fully paid-up member, who is entitled to vote, to appoint another person to attend the AGM and vote on their behalf.

To ensure proper governance and an accurate audit trail, LAC will issue **numbered proxy forms** for the 2026 AGM.

Members who require a proxy form may request one from the Chairman by email at:

chairman@lowveldaeroclub.co.za

The Chairman will then issue a numbered proxy form to eligible members.

Once completed, proxy forms must be returned to the Treasurer by email at:

treasurer@lowveldaeroclub.co.za

Members may also withdraw or amend a previously submitted proxy, or submit a new proxy form.

Thank you for helping us maintain a transparent and well-managed AGM process.

Warm regards,

Lowveld Aero Club Committee
